## 01 CLIENT & PRODUCT INFORMATION

|                     |                    |                      |                        |
|---------------------|--------------------|----------------------|------------------------|
| Client organization | Aurevia Bioscience | Client contact       | support@aureviabio.com |
| Product name        | IPAMORELIN         | Client lot / batch   | 00011/0011             |
| Label claim         | 5 mg               | Lab sample ID        | 20260800207 (A, B, C)  |
| Sample matrix       | Lyophilized        | Quantity received    | 3                      |
| Container / closure | Vial w/Crimp       | Condition on receipt | Intact                 |
| Date received       | 21 Aug 2026        | Testing period       | 28 Aug 2026            |
| Storage condition   | Ambient            | Route / intended use | RUO                    |

## 02 ANALYTICAL TEST RESULTS | Purity, identification and net content

| Analysis                                           | Method / SOP      | Instrumentation       | Result                                         | Units   | Acceptance criterion                                        | Status |
|----------------------------------------------------|-------------------|-----------------------|------------------------------------------------|---------|-------------------------------------------------------------|--------|
| Purity<br>(Average purity calculated from 3 vials) | UPLC-UV           | Acquity UPLC/PDA      | 99.77 AVG                                      | % area  | >99%                                                        | PASS   |
| Identification                                     | UPLC-MS           | Waters Quattro Series | Conforms                                       | —       | Ionization profile match w/standard across all vials tested | PASS   |
| Net content                                        | Quantitative UPLC | Acquity UPLC/PDA      | Vial 1 – 5.36<br>Vial 2 – 5.14<br>Vial 3– 5.03 | mg/vial | ±10%                                                        | PASS   |
